

Ali Nemati

Curriculum Vitae

Personal information:

Name: Ali Nemati

Title: Adult Hematology and oncologist

Date of Birth: 21/3/1970

Place of Birth: Tehran-Iran

Citizenship: Iranian

Languages: Persian (Native language), English

Gender: Male

Present Address: Afzalipour Academic Medical Center, Kerman Medical University, Iran

University employment: Assistant Professor in Hematology and Oncology, Kerman University of Medical Science, Iran

Phone: +98 9137670690

Fax: +98 31328100

Email: ali_nemati802002@kmu.ac.ir - ali.nemati.7049@gmail.com

ORCID ID: 0000-0002-8902-0977

Registration number of Iranian medical council: 63239

Education:

1. General medicine, Kerman University of Medical Sciences, Kerman –Iran (1989-1996)
2. Iranian Permanent Medical Certification License (December 1996)
3. Specialty in Internal Medicine, Kerman University of medical sciences, Kerman, Iran (2000-2004)

4. Board certified in Internal Medicine, Iran and Kerman University of Medical Sciences, Kerman-Iran (2000-2004)
5. Subspecialty in Hematology and oncology fellowship, Tehran University of medical sciences and health services, Shariati and Imam Khomeini Hospital, Tehran- Iran (2005-2008)
6. Board certified in Adult Hematology and Oncology, Iran and Tehran University of Medical Sciences, Tehran-Iran (2005-2008)
7. Medical faculty member, Kerman University of Medical Sciences, Kerman, Iran (2000-now)
8. General medicine thesis: Study of the prevalence of anxiety among medical personnel in different departments of Kerman Medical Sciences, 1996
9. Internal medicine thesis: Evaluation of the autonomic neuropathy in chronic hemodialysis patient. Kerman university of medicine sciences,2005
10. Hematology oncology fellowship thesis: Evaluation of bleeding and thrombosis in factor XII deficiency patients referred to hemophilic center of Imam Khomeini Hospital, 2008

Work Experience:

1. Present Assistant Professor of Hematology and Oncology, Department of Internal Medicine: University of Kerman, School of Medicine (since 2008).
2. 30 years of experience in medical field
3. Work in oncology and Hematology department of Bahonar and Afzalipour Hospital and until now
4. Work in Bone marrow transplantation department of Afzalipour Hospital until now
5. Holding educational panels in Afzalipour Academic medical center, Kerman Iran (since 2008)
6. Membership in the Medical Council of Kerman Province (2017-2022)
7. Membership in the Kerman Province Forensic Medicine Commission (2020-Now)
8. Membership in the Kerman Province Military Exemption Commission (2016-2020)
9. Membership in the examining board in the 38th course of the professional certification and promotion exam in the field of internal medicine, 2019

Educational activities

1. Evaluation of Internal Medicine group Afzalipour Academic medical center, Kerman Iran (since 2008)
2. Teaching Internal Medicine Residents, Afzalipour Academic Medical Center, Kerman, Iran, (2004-Now).
3. Teaching a course on hematological diseases for medical students in the physiopathology department
4. Designing questions for the final exams of the internal medicine residency program
5. Presenting clinic-pathological conferences(CPC) based on the internal group program

Honors/Achievements:

1. The First Status in Medical Basic sciences Exam, Kerman Medical University, (1991).
2. The First Status in Pre-Intern Exam, Kerman Medical University, (1994)
3. Top Student in General Practitioner Course, Kerman Medical University, Kerman, Iran (1996).
4. First place in the country's basic medical science exam and received a certificate of appreciation from Doctor Iraj Fazel (Minister of Health and medical sciences) (1991)

Workshop attendance:

1. Evidence based medicine workshop, Kerman university of medical sciences, Kerman, Iran 2011, February
2. Telemedicine Workshop, Kerman university of medical sciences, Kerman, Iran 2011, November
3. Faculty Promotion, Kerman university of medical sciences, Kerman, Iran 2013, November

Presentations in congress:

1. Lectures in the National Congress of Clinical Oncology in Kerman university of medical sciences. Kerman, Iran. 2009
2. Lectures in-person continuing education programs for the medical community, Seminar on common gastrointestinal cancers, Kerman university of medical sciences. Kerman, Iran. 2009 November
3. Lectures in-person continuing education programs for the medical community, Bladder cancer, Kerman university of medical sciences. Kerman, Iran. 2009 January
4. Lectures in-person continuing education programs for the medical community, Blood and oncology emergencies, Kerman university of medical sciences. Kerman, Iran. 2009 September
5. Lectures in-person continuing education programs for the medical community, Genital and breast cancers, Kerman university of medical sciences. Kerman, Iran. 2009 July
6. Speech as a patient introduction (Epigastric pain) at the scientific conference on patient introduction at Kerman University of Medical Sciences, Kerman, Iran 2009
7. Speech as a patient introduction (painful mass bone) at the scientific conference on patient introduction at Kerman University of Medical Sciences, Kerman, Iran 2009 November
8. Lectures in-person continuing education programs for the medical community, Rectal cancer, Kerman university of medical sciences. Kerman, Iran. 2010 March
9. Lectures in-person continuing education programs for the medical community, Clinical Oncology Seminar, Kerman university of medical sciences. Kerman, Iran. 2010 November

10. Lectures in-person continuing education programs for the medical community, Organ transplant Seminar, Kerman university of medical sciences. Kerman, Iran. 2010 March
11. Lectures in-person continuing education programs for the medical community, Updates on anticoagulant therapy, Kerman university of medical sciences. Kerman, Iran. 2011 December
12. Lectures in-person continuing education programs for the medical community, Common Cancers in Surgery Program 1, Kerman university of medical sciences. Kerman, Iran. 2012 April
13. Lectures in-person continuing education programs for the medical community, Common Cancers in Surgery Program 2, Kerman university of medical sciences. Kerman, Iran. 2012 December
14. Lectures in-person continuing education programs for the medical community, Clinical guideline program and rational drug and Para-clinical prescribing, Kerman university of medical sciences. Kerman, Iran. 2012 April
15. Lectures in-person continuing education programs for the medical community, Hematological diseases 1, Kerman university of medical sciences. Kerman, Iran. 2013 October
16. Lectures in-person continuing education programs for the medical community, Hematological diseases 2, Kerman university of medical sciences. Kerman, Iran. 2013 November
17. Lectures in-person continuing education programs for the medical community, Hematological diseases 3, Kerman university of medical sciences. Kerman, Iran. 2013 December
18. Lectures in-person continuing education programs for the medical community, Blood diseases during pregnancy, Kerman university of medical sciences. Kerman, Iran. 2013 December
19. Lectures in the Congress on common cancers and a comprehensive approach to them in Kerman university of medical sciences. Kerman, Iran. 2016 October

Participation in congress:

1. Participation in the Bladder Cancer Congress Updates, Tehran, Iran, 2005 June
2. Participation in the Congress on resistant and difficult anemias, Tehran, Iran, 2005 August
3. Participation in the Prostate Cancer Scientific Conference, Tehran, Iran, 2006 March
4. Participation in the Lung Cancer Congress Updates, Tehran, Iran, 2006 March
5. Participation in the 19th Asian pacific federation of organization for cancer (APCC 2007), Tehran, Iran, 2007 October
6. Participation in the 3th Annual congress of Iranian cancer association, Tehran, Iran, 2007 October
7. Participation in the Conference on the application of bone marrow transplantation, Tehran, Iran, 2007 March

8. Participation in the 4th Annual congress of Iranian cancer association, Tehran, Iran, 2008 October
9. Participation in the Breast Cancer Treatment Updates Conference, Tehran, Iran, 2008 December
10. Participation in the International Congress on Infection in Transplantation and Cancer, Tehran, Iran, 2008 March
11. Participation in the Gastric Cancer Congress Updates, Tehran, Iran, 2008 July
12. Participation in the 9th Iranian Society Medical Oncology and Hematology Congress (ISMOH), Tehran, Iran, 2009 October
13. Participation in-person continuing education programs for the medical community, Blood and oncology emergencies, Kerman university of medical sciences. Kerman, Iran. 2009 July
14. Participation in-person continuing education programs for the medical community, Common gastrointestinal cancers, Kerman university of medical sciences. Kerman, Iran. 2009 August
15. Participation in-person continuing education programs for the medical community, Bladder cancers, Kerman university of medical sciences. Kerman, Iran. 2009 July
16. Participation in-person continuing education programs for the medical community, Clinical Oncology, Kerman university of medical sciences. Kerman, Iran. 2010 July
17. Participation in-person continuing education programs for the medical community, Rectal cancers, Kerman university of medical sciences. Kerman, Iran. 2010 July
18. Participation in the Gastrointestinal Sarcoma Conference, Tehran, Iran, 2010 September
19. Participation in the Seminar on optimizing treatment outcomes in GI cancer, Manila Korea university college of medicine, Manila, Philippine 2010
20. Participation in the Recent advances in Multiple Myeloma therapy featuring updates from IMW, ASCO and EHA, Hamburg, Germany, 2011 October
21. Participation in the 11th Annual meeting- 6th Best of ASCO, Beirut, Lebanon, 2011 July
22. Participation in the 37th ESMO Congress, Vienna, Austria, 2012 October
23. Participation in-person continuing education programs for the medical community, Common cancers in surgery, Kerman university of medical sciences. Kerman, Iran. 2012 July
24. Participation in the CEMAI Xeloda meeting- Cancer treatment strategies and oral chemotherapies, Istanbul, Turkey, 2012 April
25. Participation in the European Hematology Association congress, Amsterdam, Netherlands, 2012
26. Participation in the new frontiers of Myeloid Neoplasia, Prague, Czech Republic, 2013 October
27. Participation in the Emirates Oncology Conference, Abu Dhabi, UAE, 2013 November
28. Participation in the Medical Oncology and Hematology of Iran congress, Tehran University of Medical Sciences, Tehran, Iran 2013
29. Participation in the 19th Congress of European Hematology association, Milan, Italy, 2014 June

30. Participation in-person continuing education programs for the medical community, Neuroendocrine Tumors, Kerman university of medical sciences. Kerman, Iran. 2014 July
31. Participation in the 13th Iranian Society Medical Oncology and Hematology Congress (ISMOH), Tehran, Iran, 2014 August
32. Participation in-person continuing education programs for the medical community, Common cancers in surgery, Kerman university of medical sciences. Kerman, Iran. 2014 July
33. Participation in the 12th Annual ENETS Conference, Barcelona, Spain, 2015 March
34. Participation in the Mea scientific Exchange Meeting, Dubai, UAE, 2015 October
35. Participation in the Mea scientific Exchange Meeting, Dubai, UAE, 2015 October
36. Participation in the Medical Oncology and Hematology of Iran congress, Mashhad University of Medical Sciences, Mashhad, Iran 2015
37. Participation in the 26th international congress on anti-cancer treatment, Paris, France, 2015 February
38. Participation in the 42^{en} EBMT Annual meeting, Valencia, Spain, 2016 April
39. Participation in the 21st Congress of European Hematology Association, Copenhagen, Denmark, 2016 June
